

## Fill in the gaps

First (1) (ah)	Thought about everything
Room Sixteen (ah)	I'm so naive imagining and all that
Smells like danger (let's go)	Did it again, love
Even (2) (let's go)	I got it all wrong
Set (3) goals (ah)	But it felt so right
Bless our souls (ah)	I can't believe it
'm in trouble (yes, I know)	And all the mistakes
But it feels like heaven	That went on for too long
Hey!	Wish there was a way
You were like one of those guys	I could delete it
The kind with a wandering eyes (hey!)	Eh, eh, eh
But I said, "hey what the hell	Ah, ah, ah
Once in my life I'll take a (4) on the wild side"	Eh, eh, eh
You (5) so full of yourself	Ah, ah, ah
But damn, were you cute, as (6) (hey!)	It may seem to you that I am in a place
You liked my legs, I (7) (8) moves	Where I'm losing the direction of my life
Anyone could tell that it's hard to deny that	But I'm sure that this is nothing but a phase
Did it again, now	Right back at ya, cause I'll survive
got it all wrong	It may seem to you that I am in a place
But it (9) so right	Where I'm losing the direction of my life
can't believe it	But I'm sure that this is nothing but a phase
And all the mistakes	Right back at ya, cause I'll survive
That went on for too long	Did it again, love
Nish there was a way	I got it all wrong
could delete it	But it felt so right
Eh, eh, eh, eh	I can't believe it
Ah, ah, ah, ah	And all the mistakes
Eh, eh, eh, eh	That went on for too long
Ah, ah, ah, ah	Wish there was a way
Second night in a row	I could delete it
Back in trouble	Did it again, love
don't get it	I got it all wrong
Gotta keep it down	Eh, eh, eh
Cause the lobby called	Ah, ah, ah
Ne ignore it (yes, I know)	Eh, eh, eh
Getting better	Ah, ah, ah
Hey!	Eh, eh, eh
When it comes to men it's known	Ah, ah, ah
That I end up choosing wrong	Eh, eh, eh
Cause I always trip and fall	Ah, ah, ah
Γhe same old rock and repeat and go back	
How blind a girl can be	
Γο (10) you hide your ring
