

## Fill in the gaps

First (1) (ah)	Thought about everything
Room (2) (ah)	I'm so naive imagining and all that
Smells like (3) (let's go)	Did it again, love
Even better (let's go)	I got it all wrong
Set your (4) (ah)	But it felt so right
Bless our souls (ah)	I can't believe it
I'm in trouble (yes, I know)	And all the mistakes
But it feels (5) heaven	That went on for too long
Hey!	Wish there was a way
You were like one of (6) guys	I (17) delete it
The kind with a wandering (7) (hey!)	Eh, eh, eh
But I said, "hey what the hell	Ah, ah, ah
Once in my life I'll (8) a (9) on the	Eh, eh, eh
(10) side"	Ah, ah, ah
You were so full of yourself	It may seem to you that I am in a place
But damn, were you cute, as well (hey!)	Where I'm losing the direction of my life
You (11) my legs, I liked (12) moves	But I'm (18) (19) this is
Anyone could tell that it's hard to deny that	(20) but a phase
Did it again, now	Right back at ya, cause I'll survive
I got it all wrong	It may (21) to you (22) I am in a place
But it felt so right	Where I'm (23) the
I can't believe it	(24) of my life
And all the mistakes	But I'm sure (25) this is nothing but a phase
That went on for too long	Right back at ya, cause I'll survive
Wish there was a way	Did it again, love
I could delete it	I got it all wrong
Eh, eh, eh	But it (26) so right
Ah, ah, ah	I can't (27) it
Eh, eh, eh	And all the mistakes
Ah, ah, ah	That went on for too long
Second night in a row	Wish there was a way
Back in trouble	I could delete it
I don't get it	Did it again, love
Gotta keep it down	I got it all wrong
'Cause the (13) called	Eh, eh, eh
We ignore it (yes, I know)	Ah, ah, ah
Getting better	Eh, eh, eh
Hey!	Ah, ah, ah
When it comes to men it's known	Eh, eh, eh
That I end up choosing wrong	Ah, ah, ah
'Cause I (14) trip and fall	Eh, eh, eh
The same old rock and repeat and go back	Ah, ah, ah
How (15) a girl can be	
To miss you hide (16) ring
