

## Did it Again by Shakira

First (1)_____ (ah)	Thought about everything
Room Sixteen (ah)	I'm so naive imagining and all that
Smells like (2)_____ (let's go)	Did it again, love
Even (3)_____ (let's go)	I got it all wrong
Set your goals (ah)	But it felt so right
Bless our souls (ah)	I can't believe it
I'm in trouble (yes, I know)	And all the mistakes
But it feels like heaven	That went on for too long
Hey!	Wish there was a way
You were like one of those guys	I could delete it
The kind with a wandering eyes (hey!)	Eh, eh, eh, eh
But I said, "hey what the hell	Ah, ah, ah, ah
Once in my (4)_____ I'll take a ride on the wild side"	Eh, eh, eh, eh
You were so full of yourself	Ah, ah, ah, ah
But damn, were you cute, as well (hey!)	It may seem to you (8)_____ I am in a place
You liked my legs, I liked your moves	Where I'm (9)_____ the direction of my life
Anyone (5)_____ (6)_____ that it's hard to deny	But I'm sure that this is (10)_____ but a phase
that	Right back at ya, cause I'll survive...
Did it again, now	It may seem to you that I am in a place
I got it all wrong	Where I'm losing the direction of my life
But it felt so right	But I'm sure that this is nothing but a phase
I can't believe it	Right back at ya, cause I'll survive
And all the mistakes	Did it again, love
That went on for too long	I got it all wrong
Wish there was a way	But it felt so right
I could delete it	I can't believe it
Eh, eh, eh, eh	And all the mistakes
Ah, ah, ah, ah	That went on for too long
Eh, eh, eh, eh	Wish there was a way
Ah, ah, ah, ah	I could delete it
Second night in a row	Did it again, love
Back in trouble	I got it all wrong
I don't get it	Eh, eh, eh, eh
Gotta keep it down	Ah, ah, ah, ah
'Cause the lobby called	Eh, eh, eh, eh
We ignore it (yes, I know)	Ah, ah, ah, ah
Getting better	Eh, eh, eh, eh
Hey!	Ah, ah, ah, ah
When it comes to men it's known	Eh, eh, eh, eh
That I end up choosing wrong	Ah, ah, ah, ah
'Cause I always trip and fall	
The same old (7)_____ and repeat and go back	
How blind a girl can be	
To miss you hide your ring	

## Fill in the gaps

Answer

1. Floor
2. danger
3. better
