

## Fill in the gaps

First Floor (ah)	Thought about everything
Room Sixteen (ah)	I'm so naive imagining and all that
Smells like (1) (let's go)	Did it again, love
Even better (let's go)	I got it all wrong
Set your goals (ah)	But it felt so right
Bless our (2) (ah)	I can't believe it
I'm in trouble (yes, I know)	And all the mistakes
But it feels like heaven	That went on for too long
Hey!	Wish there was a way
You were like one of those guys	I could delete it
The kind with a wandering eyes (hey!)	Eh, eh, eh
But I said, "hey what the hell	Ah, ah, ah
Once in my life I'll take a ride on the wild side"	Eh, eh, eh
You were so full of yourself	Ah, ah, ah
But damn, were you cute, as well (hey!)	It may seem to you that I am in a place
You liked my legs, I liked your moves	Where I'm losing the (5) of my life
Anyone could tell that it's hard to deny that	But I'm sure that this is nothing but a phase
Did it again, now	Right back at ya, cause I'll survive
I got it all wrong	It may seem to you that I am in a place
But it felt so right	Where I'm losing the direction of my life
I can't believe it	But I'm (6) that (7) is nothing but a
And all the mistakes	phase
That went on for too long	Right back at ya, cause I'll survive
Wish there was a way	Did it again, love
I could delete it	I got it all wrong
Eh, eh, eh	But it felt so right
Ah, ah, ah	I can't (8) it
Eh, eh, eh	And all the mistakes
Ah, ah, ah	That went on for too long
Second night in a row	Wish there was a way
Back in trouble	I could delete it
I don't get it	Did it again, love
Gotta keep it down	I got it all wrong
'Cause the lobby called	Eh, eh, eh
We ignore it (yes, I know)	Ah, ah, ah
Getting better	Eh, eh, eh
Hey!	Ah, ah, ah
When it comes to men it's known	Eh, eh, eh
That I end up (3) wrong	Ah, ah, ah
'Cause I always trip and fall	Eh, eh, eh
The same old rock and repeat and go back	Ah, ah, ah
How blind a girl can be	
To miss you hide (4) ring
