

## Fill in the gaps

Chest to chest	In (6) california king bed
Nose to nose	We're 10000 miles apart
Palm to palm	I'll be california wishing on the stars
We were always just that close	For your heart on me
Wrist to wrist	My californa king
Toe to toe	Just (7) I felt like giving up on us
Lips that (1) just like the inside of a rose	You turned around and gave me one last touch
So how come when I reach out my finger	That made everything feel better
It (2) like (3) than distance between	And even then my eyes got wetter
us	So confused when I asked ask you if you love me
In this california king bed	But I don't (8) seem so weak
Were 10000 miles apart	Maybe I've been California dreaming
I been california wishing on the stars	In this california king bed
For youre heart on me	Were 10000 miles apart
My californa king	California wishing on the stars
Eye to eye	For youre heart on me
Cheek to cheek	My californa king
Side by side	My California King
You were sleeping (4) to me	In this california king bed
Arm in arm	Were 10000 miles apart
Dusk to dawn	I've (9) california wishing on the stars
With the curtains drawn	For your heart on me
And a little (5) night on these sheets	My California king
So how come when I reach out my fingers	
It feels like more than distance between us
