Animal Instinct by The Cranberries

Suddenly somtehing has (1)	to me	They will never make me die	
As I was having my cup of tea		And the thing that gets to me	
Suddenly I was feeling depressed		Is you'll never (3) see	
I was utterly and totally stressed		And the thing that freaks me out	
Do you know you made me cry (Oh)		Is I'll always be in doubt	
Do you know you made me die		The animal, the animal	
And the thing that gets to me		The animal (4) in n	ne
Is you'll never really see		It's the animal, the animal	
And the thing that freaks me out		The (5) instinct in me	
Is I'll always be in doubt		It's the animal, it's the animal	
It is a lovely thing (2) we have		It's the animal instinct in me	
It is a lovely thing that we		It's the animal, it's the animal	
It is a lovely thing, the animal		It's the (6) instinct in me	
The animal instinct		The animal, the animal	
		The animal instinct in me	
So take my hands and come with me		It's the animal, it's the animal	
We will change reality		It's the (7) instinct in me	
So take my hands and we will pray			
They won't take you away
