

Fill in the gaps

From the day we arrive on the planet	More to (14) than can ever be found
And blinking, step into the sun	But the sun rolling high (15) the
There's more to be seen (1) can ever be seen	(16) sky
More to do than can ever be done	Keeps great and (17) on the endless round
Some say eat or be eaten	In the circle of life
Some say live and let live	It's the wheel of fortune
But all are (2) as they join the stampede	It's the leap of faith
You should never (3) (4) than you give	It's the (18) of hope
In the circle of life	Till we (19) our place
It's the (5) of fortune	On the (20) unwinding
It's the leap of faith	In the circle, the circle of life
It's the (6) of hope	It's the (21) of fortune
Till we (7) our place	It's the leap of faith
On the (8) unwinding	It's the (22) of hope
In the circle, the (9) of life	Till we find our place
Some of us fall by the wayside	On the path unwinding
And (10) of us (11) to the stars	In the circle, the (23) of life
And (12) of us sail through our troubles	On the path unwinding
And some have to (13) with the scars	In the circle, the circle of life
There's far too much to take in here
