

## Fill in the gaps

| I never thought that you                                     |
|--|
| Would be the one to hold my heart                            |
| But you came around  |
| And you knocked me off the ground (1) the start              |
| You put your arms around me                                  |
| And I believe that it's easier for you to let me go          |
| You put your arms around me and I'm home                     |
| How many times will you let me                               |
| Change my mind and turn around                               |
| I can't decide if I'll let you save my life or if I'll drown |
| I hope that you see right through my walls                   |
| I hope that you catch me, 'cause I'm (2)                     |
| falling  |
| I'll (3) let a love get so close                             |
| You put your arms (4) me and I'm home                        |
| The world is coming down on me                               |
| And I can't find a reason to be loved                        |
| I never wanna (5) you  |
| But I can't make you (6) if I'm alone                        |

| You put your arms around me                            |
|--|
| And I believe that it's easier for you to let me go    |
| hope that you see (7) through my walls                 |
| hope that you catch me, 'cause I'm already falling     |
| 'Il never let a love get so close                      |
| ou put your arms around me and I'm home                |
| tried my best to never let you in to see the truth     |
| And I've never opened up                               |
| ve never truly loved 'till you put your arms around me |
| And I believe that it's easier for you to let me go    |
| hope that you see (8) through my walls                 |
| hope that you catch me, 'cause I'm already falling     |
| 'Il never let a love get so close                      |
| You put your arms (9) me and I'm home                  |
| You put your arms around me and I'm home               |
