

Fill in the gaps

1979 by The Smashing Pumpkins

Shakedown 1979

Cool kids never have the time

On a live wire right up off the street

You and I should meet

Junebug skipping like a stone

With the headlights (1)_____ at the dawn

We were sure (2)_____ never see an end to it all

And I don't even care to shake these zipper blues

And we don't know

Just where our bones will rest to dust, I guess

Forgotten and absorbed into the earth below

Double cross the vacant and the bored

They're not sure just what we have in the store

Morphine (3)_____ slippin dues (4)_____ to see

We don't even care as restless as we are

We feel the pull in the land of a thousand guilts

And poured cement, lamented and assured

To the lights and towns below

Faster than the speed of sound

Faster than we thought we'd go

Beneath the sound of hope

Justine never knew the rules

Hung down with the freaks and the ghouls

No apologies ever need be made

I know you better than you fake it, to see

And we (5)_____ even care to shake

(6)_____ zipper blues

And we (7)_____ know

Just where our bones will rest to dust, I guess

Forgotten and absorbed (8)_____ the earth below

The street heats the urgency of sound

As you can see there's no one around
