Shakedown 1979
Cool kids never have the time
On a live wire right up off the street
You and I should meet
Junebug skipping (1) a stone
With the headlights pointed at the dawn
We were sure we'd never see an end to it all
And I don't even care to shake these (2) blues
And we don't know
Just where our bones will rest to dust, I guess
Forgotten and absorbed into the earth below
Double cross the vacant and the bored
They're not sure (3) what we have in the store
Morphine city slippin dues down to see
We (4) (5) care as restless as
we are
We (6) the pull in the land of a thousand guilts
And poured cement, lamented and assured

To the lights and towns below Faster (7) the speed of sound Faster than we thought we'd go Beneath the sound of hope Justine never knew the rules Hung (8) with the freaks and the ghouls No apologies ever (9) be made I know you better than you fake it, to see And we don't even care to shake these zipper blues And we don't know Just where our bones will rest to dust, I guess Forgotten and (10) into the earth below The street heats the urgency of sound As you can see there's no one around
