

Fill in the gaps

Shakedown 1979
Cool kids never have the time
On a live wire right up off the street
You and I should meet
Junebug skipping like a stone
With the headlights pointed at the dawn
We were (1) we'd never see an end to it all
And I don't even care to (2) these zipper blues
And we don't know
Just where our bones (3) rest to dust, I guess
Forgotten and absorbed into the (4) below
Double cross the vacant and the bored
They're not sure just what we have in the store
Morphine city (5) dues down to see
We don't even care as restless as we are
We feel the pull in the land of a thousand guilts
And poured cement, lamented and assured

To the (6) and towns below
Faster (7) the speed of sound
Faster than we thought we'd go
Beneath the sound of hope
Justine never knew the rules
Hung down with the freaks and the ghouls
No apologies ever need be made
I know you better than you fake it, to see
And we don't even care to shake these zipper blues
And we (8) know
Just where our bones will rest to dust, I guess
Forgotten and absorbed into the earth below
The street heats the urgency of sound
As you can see there's no one around

- 1. sure
- 2. shake
- 3. will
- 4. earth
- 5. slippin
- 6. lights
- 7. than
- 8. don't
