

Or a reading of Doctor Seuss

Fill in the gaps

The Sidewinder Sleeps Tonite by R.E.M.

This here is the place where I will be staying	Call me when you try to (10) her up
There isn't a number, you can call the pay phone	Call me when you try to (11) her
Let it ring a long, long, long time	Call me (12) you try to wake her up
If I don't pick up, (1) up, let it ring (2)	Call me (13) you try to wake her
more	Call me when you try to wake her up
If I don't pick up, pick up	Call me when you try to wake her
The sidewinder sleeps, sleeps, (3) in a coil	The cat in the hat came back
Call me when you try to wake her up	Wrecked a lot of havoc
Call me when you try to wake her	On the way, (14) had a smile
Call me (4) you try to wake her up	And a reason to pretend
Call me when you try to wake her	But their world has flat backgrounds
Call me when you try to wake her up	And little need to sleep (15) dream
Call me when you try to wake her	The sidewinder sleeps on his back
There are scratches all around the coin slot	Call me when you try to wake her up
Like a heartbeat, baby trying to wake up	Call me when you try to wake her
But this machine can only swallow money	Call me when you try to (16) her up
You can't lay a (5) by computer design	Call me when you try to wake her
It's (6) a lot of stupid, stupid signs	I can always sleep standing up
Tell her	Call me when you try to wake her
Tell her she can kiss my ass	Call me when you try to (17) her up
Then laugh and say that you were only kidding	Call me (18) you try to wake her
That way she'll know that it's really, really, really	Call me when you try to (19) her up
Really me, me	Call me when you try to (20) her
Call me when you try to wake her up	I can always (21) standing up
Call me when you try to (7) her	Call me when you try to (22) her
Call me when you try to wake her up	Call me when you try to wake her up
Call me when you try to wake her	Call me when you try to wake her
Call me when you try to wake her up	I can (23) sleep standing up
Call me when you try to wake her	Call me when you try to wake her
Baby, instant soup doesn't really grab me	I can always sleep standing up
Today I (8) something more	Call me when you try to wake her
(Substa-sub-stantial)	We've got to moogie, moogie, move on (24) one
A can of (9) or blackeyed peas	
Some Nescafe and ice	
A candy bar, a falling star
