Or a reading of Doctor Seuss

## Fill in the gaps

#### The Sidewinder Sleeps Tonite by R.E.M.

This here is the place where I will be staying	Call me when you try to wake her up
There isn't a number, you can call the pay phone	Call me (6) you try to wake her
Let it ring a long, long, long time	Call me when you try to wake her up
If I don't pick up, hang up, let it ring some more	Call me when you try to wake her
If I don't pick up, pick up	Call me when you try to wake her up
The sidewinder sleeps, sleeps in a coil	Call me when you try to wake her
Call me when you try to wake her up	The cat in the hat came back
Call me when you try to wake her	Wrecked a lot of havoc
Call me when you try to wake her up	On the way, always had a smile
Call me when you try to wake her	And a reason to pretend
Call me when you try to wake her up	But their world has flat backgrounds
Call me when you try to wake her	And little need to sleep butto dream
There are (1) all around the coin slot	The sidewinder sleeps on his back
Like a heartbeat, (2) trying to wake up	Call me when you try to wake her up
But this (3) can only swallow money	Call me (7) you try to wake her
You can't lay a patch by computer design	Call me (8) you try to wake her up
It's just a lot of stupid, stupid signs	Call me when you try to wake her
Tell her	I can always (9) standing up
Tell her she can kiss my ass	Call me when you try to wake her
Then laugh and say that you (4) only kidding	Call me when you try to wake her up
That way she'll know that it's really, really, really	Call me when you try to wake her
Really me, me	Call me when you try to wake her up
Call me when you try to wake her up	Call me when you try to wake her
Call me when you try to (5) her	I can always sleep standing up
Call me when you try to wake her up	Call me when you try to wake her
Call me when you try to wake her	Call me when you try to wake her up
Call me when you try to wake her up	Call me when you try to wake her
Call me when you try to wake her	I can always sleep standing up
Baby, instant soup doesn't really grab me	Call me (10) you try to wake her
Today I need something more	I can always sleep standing up
(Substa-sub-sub-stantial)	Call me when you try to wake her
A can of beans or blackeyed peas	We've got to moogie, moogie, move on this one
Some Nescafe and ice	
A candy bar, a falling star
