

How it really feels

Fill in the gaps

All my (1) I've been waiting	To be (16) outside alone
For you to bring a (2) tale my way	When it's cold out here
Been (3) in a fantasy without meaning	Well maybe you should know
It's not okay	Just how it feels
I don't feel safe	To be left (17) alone
I don't (4) (5) (oh)	To be left outside alone
Left broken empty in despair	I tell ya
Wanna breath can't find air	All my (18) (19) been waiting
Thought you were sent from up above	For you to (20) a fairytale my way
But you and me never had love	Been living in a (21) without meaning
So much more I have to say	It's not okay
Help me (6) a way	I don't feel safe
And I wonder if you know	I need to pray
How it really feels	(Oh pray)
To be (7) outside alone	(Oh heavenly father)
When it's cold out here	(Save me oh)
Well (8) you should know	(Whoa)
Just how it feels	(And I (22) if you know)
To be (9) outside alone	(How it really feels)
To be left (10) alone	To be left outside alone
I tell ya	When it's cold out here
All my life I've been waiting	Well maybe you should know
For you to (11) a fairytale my way	Just how it feels
Been living in a fantasy without meaning	To be left outside alone
It's not okay	To be (23) outside alone
I (12) feel safe	All my life (24) been waiting
I need to pray	For you to bring a fairytale my way
Why do you (13) me like a game?	Been (25) in a fantasy without
Always someone else to blame	(26) (oh!)
Careless, (14) little man	It's not okay
Someday you might understand	I don't feel safe
There's not (15) more to say	I need to pray
But I hope you find a way	
Still I wonder if you know
