Forever by Papa Roach

Because days come and go

Fill in the gaps

		But my feelings for you are forever	
In the brightest hour		One last kiss	
Of my darkest day		Before I go	
I realized		Dry your tears	
What is wrong with me		It is time to let you go	
Can't get (1) you		One last kiss	
Can't get through to you		(One last kiss)	
It's been a helter-skelter romance from the start		Before I go	
Take (2) memories		(Before I go)	
That are haunting me		Dry (6)	tears
Of a paper man cut into shreds		(Dry (7)	_ tears)
By his own pair of scissors		It is time to let you go	
He'll never forgive her		Because days come and go	
He'll never forgive her		But my feelings for you are forever	
Because (3) come and go		Because days come and go	
But my feelings for you are forever		But my feelings for you are forever	
Because days come and go		One last kiss	
But my feelings for you are forever		(One last kiss)	
Sitting by the fire on a lonely night		Before I go	
Hanging (4) from (5) g	good time	(Before I go)	
With another girl, little dirty girl		Dry (8)	tears
You should listen to this story of a life		(Dry your tears)	
You're my heroin		It is time to let you go	
In this moment I'm lonely		One last kiss	
Fullfilling my darkest dreams		Before I go	
All these drugs, all these women		Dry your tears	
'm never forgiving		It is time to let you go	
This broken heart of mine		One last kiss	
Because days come and go			
But my feelings for you are forever
