Forever by Papa Roach

Because days come and go

Fill in the gaps

	But my feelings for you are forever
In the brightest hour	One last kiss
Of my darkest day	Before I go
I realized	Dry your tears
What is wrong with me	It is time to let you go
Can't get (1) you	One last kiss
Can't get through to you	(One last kiss)
It's been a helter-skelter romance from the start	Before I go
Take these memories	(Before I go)
That are haunting me	Dry your tears
Of a paper man cut into shreds	(Dry your tears)
By his own (2) of scissors	It is time to let you go
He'll (3) (4) her	Because days come and go
He'll (5) forgive her	But my feelings for you are forever
Because days (6) and go	Because days come and go
But my feelings for you are forever	But my feelings for you are forever
Because days (7) and go	One last kiss
But my feelings for you are forever	(One (21) kiss)
Sitting by the fire on a (8) night	Before I go
Hanging (9) (10) (11)	(Before I go)
good time	Dry your tears
With another girl, little (12) girl	(Dry (22) tears)
You should (13) to this (14) of a	It is time to let you go
life	One last kiss
You're my heroin	Before I go
In (15) (16) I'm lonely	Dry your tears
Fullfilling my (17) dreams	It is time to let you go
All (18) drugs, all these women	One (23) kiss
I'm never forgiving	
This broken heart of mine	
Because (19) (20) and go	
But my feelings for you are forever
