

Because days come and go

Fill in the gaps

		But my (7) for yo	ou are forever	
In the (1)	hour	One last kiss		
Of my darkest day		Before I go		
I realized		Dry your tears		
What is wrong with me		It is time to let you go		
Can't get (2) you		One last kiss		
Can't get through to you		(One last kiss)		
It's been a helter-skelter romance (3) the start		Before I go		
Take these memories		(Before I go)		
That are haunting me		Dry (8) tears		
Of a paper man cut (4) shreds		(Dry your tears)		
By his own pair of scissors		It is time to let you go	to let you go	
He'll never forgive her		Because days come and go	ome and go	
He'll never (5) her		But my feelings for you are forever		
Because days come and go		Because days come and go		
But my feelings for you are forever		But my feelings for you are forever		
Because days come and go		One (9) kiss		
But my feelings for you are forever		(One last kiss)		
Sitting by the fire on a lonely night		Before I go		
Hanging over from another (6) time		(Before I go)		
With another girl, little dirty girl		Dry your tears		
You should listen to this story of a life		(Dry your tears))	
You're my heroin		It is time to let you go	let you go	
In this moment I'm lonely		One last kiss	;	
Fullfilling my darkest dreams		Before I go		
All these drugs, all these women		Dry your tears	your tears	
I'm never forgiving		It is time to let you go		
This broken heart of mine		One last kiss		
Because days come an	nd go			
But my feelings for you	are forever
