

## Fill in the gaps

| Humidity is rising                 | God (13) Mother Nature           |
|------------------------------------|----------------------------------|
| Barometer's getting low            | She's a (14) (15) to             |
| According to our sources           | She (16) over heaven             |
| The street's the (1) to go         | And she did what she had to do   |
| Cause' tonight for the (2) time    | She taught every Angel           |
| Just about (3) past ten            | To (17) the sky                  |
| For the (4) time in history        | So (18) each and every woman     |
| It's gonna start (5) men           | Could (19) the perfect guy       |
| It's (6) men                       | It's raining men                 |
| Hallelujah                         | Don't get yourself (20) Girls    |
| It's raining men                   | I know you want to               |
| Amen                               | I feel stormy wheather (21) in   |
| It's raining men                   | About to begin                   |
| Hallelujah                         | Hear the thunder                 |
| It's raining men                   | Don't you (22) your head         |
| Amen                               | Rip off the roof and stay in bed |
| Humidity is rising                 | (Rip off the roof and stay)      |
| Barometer's getting low            | It's raining men                 |
| According to our sources           | Hallelujah                       |
| The street's the place to go       | It's raining men                 |
| Cause' tonight for the first time  | Amen                             |
| Just about half (7) ten            | It's raining men                 |
| For the first time in history      | Hallelujah                       |
| It's (8) (9) (10)                  | It's raining men                 |
| men                                | Amen                             |
| It's raining men                   | It's raining men                 |
| Hallelujah                         | Hallelujah                       |
| It's raining men                   | It's (23) men                    |
| Amen                               | Amen                             |
| I'm gonna go out                   | It's (24) men                    |
| I'm gonna let myself get           | Hallelujah                       |
| Absolutley soaking wet             | It's (25) men                    |
| It's (11) men                      | Amen                             |
| Hallelujah                         |                                  |
| It's raining men                   |                                  |
| Every special men                  |                                  |
| Tall blonde dark and lean          |                                  |
| Rough and (12) and strong and mean |                                  |
