

Fill in the gaps

Now red solo cup outs the best receptable
From barbecues, tailgates, (1) and festivals
And you, sir, do not have a pair of testicles
If you prefer drinking from glass
Hey, red solo cup is cheap and disposable
In fourteen years, they are decomposable
And, unlike my home, they are not foreclosable
Freddie Mac can kiss my ass, woo!
Red solo cup, I fill you up
Let's have a party, let's have a party
I love you red (2) cup, I lift you up
Proceed to party, proceed to party
Now I really love how you're easy to stack
But I really hate how you're easy to crack
Cause when beer runs down in front of my pack
Well, that, my friends, is (3) yucky
But I have to admit (4) the ladies get smitten
Admiring at how sharply my first (5) is written
On you with a Sharpie when I get to hitting
On them, to help me get lucky
Red solo cup, I fill you up
Let's have a party, let's (6) a party
I love you red solo cup, I (7) you up
Proceed to party, proceed to party

Now I've seen you in blue and I've seen you in yellow But only you red will do for this fellow Cause you are the Abbott into my Costello And you are the Fruit to my Loom Red solo cup, you're more than just plastic You're more than amazing, you're more than fantastic And believe me that I'm not the least bit sarcastic When I (8)_____ at you and say: "Red solo cup, you're not just a cup (No, no, no, God no) You're my friend, yeah (Lifelong) Thank you for being my friend" Red solo cup, I fill you up Let's have a party, let's have a party I love you red solo cup, I lift you up Proceed to party, proceed to party Red solo cup, I fill you up Let's (9)_____ a party, let's have a party Let's have a party Red solo cup, I lift you up Let's have a party, (10)____ Solo cup, solo cup, solo cup...
