## My Happy Ending (Live) by Avril Lavigne So much for my happy ending We were meant to be, supposed to be (Oh oh...) But we lost it

(Oh oh)		But we lost it
Let's talk this over		And all of the memories, so close to me
It's not like we're dead		Fade away
Was it something I did?		All this time you were pretending
Was it something you said?		So much for my happy ending
Don't leave me hanging, in a city so dead		It's nice to know that you were there
Held up so high, on such a breakable thread		Thanks for acting like you cared
You (1) all the things I thought I knew		And making me (7) like I was the (8)
And I thought we could be		one
You were everything, everything		It's nice to know we had it all
That I wanted		Thanks for watching as I fall
We were (2) to be, supposed to be		Letting me know we were done
But we lost it (but we lost it)		He was (everything that I wanted)
And all of the memories, so close to me		We were meant to be, supposed to be
Fade away		But we lost it
All this time you were pretending		And all of the memories, so close to me
So much for my happy ending		Fade away
(Oh oh)		All this time you were pretending
You've got your dumb friends		So much for my happy (ending)
I know what (3) say		You were everything, everything that I wanted
They tell you I'm difficult		And we were (9) to be, supposed to be
But so are they		But we lost it
But they don't know me		All of the memories, so (10) to me
Do they even know you?		Just fade away
All the (4)	you hide (5) me	And all this time you were pretending
All the shit that you do		So much for my happy ending
You were all the things I (	6) I knew	(Oh oh)
And I thought we could be		
You were everything, every	ything that I wanted
