

Mean by Taylor Swift

Fill in the gaps

You, with your words like knives
And swords and weapons (1)_____ you use against me
You, have knocked me off my feet again
Got me feeling like I'm nothing
You, (2)_____ your voice like nails on a chalkboard
Calling me out when I'm wounded
You, picking on the weaker man
Well you can (3)_____ me down with just one single blow
But you don't know
What you don't know
Someday I'll be (4)_____ in a big ol' city
And all you're ever going to be is mean
Someday I'll be big enough so you can't hit me
And all you're ever going to be is mean
Why you gotta be so mean?
You, with your switching sides
And your wildfire lies and your humiliation
You, have pointed out my flaws again
As if I don't already see them
I walk with my head down
Trying to (5)_____ you out 'cause I'll never impress
you
I just wanna feel okay again
I bet you got (6)_____ around
Somebody made you cold
But the cycle ends right now
Cause you can't lead me (7)_____ that road
And you don't know
What you don't know
Someday I'll be living in a big ol' city
And all you're ever going to be is mean

Someday I'll be big enough so you can't hit me
And all you're ever (8)_____ to be is mean
Why you gotta be so mean?
And I can see you years from now in a bar
Talking over a football game
With that same big loud opinion but
Nobody's listening
Washed up and ranting about the same old bitter things
Drunk and (9)_____ on about how I can't
sing
But all you are is mean
All you are is mean
And a liar
And pathetic
And alone in life
And mean, and mean, and mean, and mean
But someday I'll be living in a big ol' city
And all you're (10)_____ going to be is mean, yeah
Someday I'll be big enough so you can't hit me
And all you're ever going to be is mean
Why you gotta be so mean?
Someday I'll be living in a big ol' city
(Why you gotta be so mean?)
And all you're ever going to be is mean
Why you gotta be so mean?
Someday I'll be big enough so you can't hit me
(Why you gotta be so mean?)
And all you're ever going to be is mean
Why you gotta be so mean?

Fill in the gaps

Answer

1. that
