

## Fill in the gaps

You, (1) your words like knives	Someday I'll be big enough so you can't hit me
And (2) and (3)	And all you're ever going to be is mean
(4) you use against me	Why you gotta be so mean?
You, have knocked me off my feet again	And I can see you years from now in a bar
Got me (5) like I'm nothing	Talking over a football game
You, with your voice (6) nails on a chalkboard	With that same big loud opinion but
Calling me out when I'm wounded	Nobody's listening
You, (7) on the (8) man	Washed up and ranting about the same old bitter things
Well you can (9) me (10) with	Drunk and grumbling on about how I can't sing
(11) one single blow	But all you are is mean
But you don't know	All you are is mean
What you don't know	And a liar
Someday I'll be living in a big ol' city	And pathetic
And all you're ever (12) to be is mean	And alone in life
Someday I'll be big enough so you can't hit me	And mean, and mean, and mean
And all you're ever (13) to be is mean	But someday I'll be living in a big ol' city
Why you gotta be so mean?	And all you're ever (19) to be is mean, year
You, (14) your (15) sides	Someday I'll be big enough so you can't hit me
And your wildfire lies and your humiliation	And all you're ever going to be is mean
You, have pointed out my flaws again	Why you gotta be so mean?
As if I don't already see them	Someday I'll be (20) in a big ol' city
I walk with my (16) down	(Why you gotta be so mean?)
Trying to block you out 'cause I'll never impress you	And all you're ever going to be is mean
I (17) wanna feel okay again	Why you gotta be so mean?
I bet you got pushed around	Someday I'll be big enough so you can't hit me
Somebody made you cold	(Why you (21) be so mean?)
But the cycle ends right now	And all you're ever going to be is mean
Cause you can't lead me down that road	Why you gotta be so mean?
And you don't know	
What you don't know	
Someday I'll be (18) in a big ol' city	
And all you're ever going to be is mean
