

And all you're ever going to be is mean

Fill in the gaps

You, with your words (1) knives	Someday I'll be big enough so you can't hit me
And swords and weapons (2) you use against me	And all you're ever going to be is mean
You, have knocked me off my feet again	Why you gotta be so mean?
Got me feeling like I'm nothing	And I can see you years (6) now in a bar
You, (3) your voice like nails on a chalkboard	Talking over a football game
Calling me out when I'm wounded	With that same big loud opinion but
You, picking on the weaker man	Nobody's listening
Well you can take me down (4) just one single	Washed up and ranting about the same old bitter things
blow	Drunk and grumbling on about how I can't sing
But you don't know	But all you are is mean
What you don't know	All you are is mean
Someday I'll be living in a big ol' city	And a liar
And all you're ever going to be is mean	And pathetic
Someday I'll be big enough so you can't hit me	And alone in life
And all you're ever going to be is mean	And mean, and mean, and mean
Why you gotta be so mean?	But someday I'll be living in a big ol' city
You, with your switching sides	And all you're ever going to be is mean, yeah
And your wildfire lies and your humiliation	Someday I'll be big enough so you can't hit me
You, have pointed out my flaws again	And all you're ever (7) to be is mean
As if I don't already see them	Why you (8) be so mean?
I walk with my head down	Someday I'll be living in a big ol' city
Trying to (5) you out 'cause I'll never impress	(Why you gotta be so mean?)
you	And all you're ever going to be is mean
I just wanna feel okay again	Why you gotta be so mean?
I bet you got pushed around	Someday I'll be big enough so you can't hit me
Somebody made you cold	(Why you gotta be so mean?)
But the cycle ends right now	And all you're (9) going to be is mean
Cause you can't lead me down that road	Why you gotta be so mean?
And you don't know	
What you don't know	
Someday I'll be living in a big ol' city
