So Far Away by Avenged Sevenfold

Fill in the gaps

Never feared for anything	Place and time always on my mind
Never shamed but never free	I have so much to say but you're so far away
Alive to (1) the broken heart with all that it could	Sleep tight, I'm not afraid
Lived a life so endlessly	The (5) that we love are here with me
Saw beyond what others see	Lay away a place for me
I tried to heal (2) broken heart	'Cause as soon as I'm done I'll be on my way
With all that I could	To live eternally
Will you stay?	How do I live without the ones I love?
Will you stay away forever?	Time still turns the pages of the book it's burned
How do I live without the ones I love?	Place and time (6) on my mind
Time still turns the pages of the book it's burned	And the (7) you left remains but it's so hard to
Place and time always on my mind	stay
I have so much to say but you're so far away	When I have so much to say and you're so far away
Plans of (3) our futures hold	I love you
Foolish lies of growing old	You (8) ready
It seems we're so invincible	The pain is strong and urges rise
The truth is so cold	But I'll see you
A final song, a last request	You'll let me
A perfect chapter laid to rest	Your (9) is gone, your hands are tied
Now and then I try to find a place in my mind	So far away
Where you can stay	And I need you to know
You can stay awake forever	So far away
How do I live without the (4) I love?	And I need you to need you to know
Time still turns the pages of the book it's burned
