### So Far Away by Avenged Sevenfold

Never feared for anything	Place and time always on my mind
Never shamed but never free	I have so much to say but you're so far away
Alive to hear the broken heart with all that it could	Sleep tight, I'm not afraid
Lived a (1) so endlessly	The (20) that we love are here with me
Saw beyond what others see	Lay (21) a place for me
I tried to (2) (3) broken heart	'Cause as soon as I'm done I'll be on my way
With all (4) I could	To (22) eternally
Will you stay?	How do I live (23) the ones I love?
Will you stay (5) forever?	Time (24) turns the pages of the book it's
How do I (6) without the (7) I love?	burned
Time still turns the (8) of the book it's burned	Place and time always on my mind
Place and time (9) on my mind	And the light you left remains but it's so hard to stay
I have so much to say but you're so far away	When I have so much to say and you're so far away
Plans of (10) our (11) hold	I love you
Foolish lies of growing old	You were ready
It seems we're so invincible	The pain is strong and urges rise
The (12) is so cold	But I'll see you
A (13) song, a (14) request	You'll let me
A perfect (15) laid to rest	Your pain is gone, your hands are tied
Now and then I try to find a (16) in my mind	So far away
Where you can stay	And I need you to know
You can stay (17) forever	So far away
How do I live without the ones I love?	And I (25) you to need you to know
Time (18) the pages of the	
book it's burned
