## Fill in the gaps

## So Far Away by Avenged Sevenfold

Never feared for anything	Place and time always on my mind
Never shamed but never free	I have so much to say but you're so far away
Alive to hear the (1) heart with all that it could	Sleep tight, I'm not afraid
Lived a life so endlessly	The ones that we love are (7) with me
Saw beyond (2) others see	Lay away a place for me
I (3) to heal your broken heart	'Cause as (8) as I'm done I'll be on my way
With all that I could	To live eternally
Will you stay?	How do I live (9) the ones I love?
Will you stay away forever?	Time still turns the pages of the book it's burned
How do I live without the ones I love?	Place and time always on my mind
Time still turns the pages of the (4) it's burned	And the light you (10) remains but it's so hard to
Place and time always on my mind	stay
I have so much to say but you're so far away	When I have so much to say and you're so far away
Plans of what our futures hold	I love you
Foolish lies of growing old	You were ready
It seems we're so invincible	The pain is strong and urges rise
The truth is so cold	But I'll see you
A final song, a last request	You'll let me
A perfect chapter (5) to rest	Your pain is gone, your hands are tied
Now and then I try to find a place in my mind	So far away
Where you can stay	And I need you to know
You can stay (6) forever	So far away
How do I live without the ones I love?	And I need you to need you to know
Time still turns the pages of the book it's burned	

- 1. broken
