

(Oh) when you're still waiting for the snow to fall

## Fill in the gaps

Christmas night, (1)	fight	Doesn't really feel (5)	_ Christmas at all
Tears we cried a flood		Still waiting for the snow to fall	
Got all kinds of poison in		It doesn't really feel (6)	Christmas at all
Poison in my blood		Those Christmas lights	
took my feet		Light up the street	
To Oxford Street		Down where the sea and city meet	
Trying to right a wrong		May all your (7)	soon be gone
Just (2) away		(Oh) (8)	lights keep shining on
Those windows say		Those Christmas lights	
But I can't believe she's gone		Light up the street	
When you're still (3) for the (4)		Maybe they'll bring her back to me	
o fall		Then all my troubles will be gone	
Doesn't really feel like Christmas at all		(Oh) Christmas lights keep shining on	
Jp above candles on air flicker (Oh) they flicker and they float		(Oh) Christmas lights	
		Light up the street	
But I'm up here holding on		Light up the fireworks in me	
To all those chandeliers of hope		May all (9) troubles soon be gone	
Like some drunken Elvis singing		Those Christmas lights keep shining on	
go singing out of tune			
Saying how I always loved you darling			
And I always will
