## Even The Nights Are Better by Air Supply

EVEN THE NIGHTS ARE BETTER	'Cause now you've made a fire start
Air Supply	And I, I can see (6) you feel the same way
(J.L. Wallance/Kenneth Bell/Terry Skinner)	I never dreamed there'd be someone to hold me
I, I was the lonely one	Until you (7) me and now that I've found you
Wondering what went wrong, why love had gone	Even the nights are better
And left me lonely	Now that we're here together
I, I was so confused, feeling like I'd (1) been used	Even the nights are better
Then you came to me and my (2)	Since I found you, oh
left me	Even the days are brighter
I (3) to think I was tied to a heartache	When (8) you love's beside ya
That was the heartbreak, but now that I've found you	Even the nights are better
Even the nights are better	Since I found you
Now that we're here together	I never dreamed there'd be someone to hold me
Even the nights are better	Until you told me and now that I've found you
Since I found you, oh	Even the nights are better
Even the days are brighter	Now that we're (9) together
When someone you love's beside ya	Even the nights are better
Even the nights are better	Since I found you, oh
Since I found you	Even the days are brighter
You, you knew just what to do	When someone you love's (10) ya
'Cause you had (4) lonely too	Even the nights are better
And you showed me how	Since I found you
To ease the pain and	
Vou did (5) than mand a broken heart	

- 1. just
