

Doesn't really feel like Christmas at all

Fill in the gaps

Christmas Lights (Live) by Coldplay

Christmas night	Still waiting for the snow to fall
Another fight	It doesn't really (6) like Christmas at all
Tears we cried a flood	Those Christmas lights
Got all kinds of (1) in	Light up the street
Poison in my blood	Down where the sea and city meet
I took my feet	May all your troubles soon be gone
To Oxford Street	Oh Christmas (7) (8) shining of
Just try to right a wrong	Those Christmas lights
Walk away	Light up the street
Those windows say	Maybe they'll bring her back to me
But I can't believe she's gone	Then all my troubles will be gone
When you're still (2) for the snow to fall	Oh Christmas lights keep shining on
Doesn't really feel like Christmas at all	(Oh oh oh oh oh oh)
Up above candles on air flicker	Those Christmas lights
Oh (3) flicker and (4) float	Light up the street
But I'm up here holding on	Light up the fireworks in me
To all those chandeliers of hope	May all your troubles (9) be gone
Like some drunken Elvis singing	Oh Christmas lights keep shining on
I go (5) out of tune	Happy Christmas everybody
Saying how I always loved you darling	
And I always will	
Oh when you're still waiting for the snow to fall
