Wish right now, wish right now

Fill in the gaps

Airplanes by B.o.B & Hayley Williams (Paramore)

Can we pretend that airplanes	Somebody take me back to the days
In the night sky are like shooting stars?	Before this was a job, before I got paid
I could really use a wish (1) now	Before it ever mattered what I had in my bank
Wish right now, wish right now	Yeah, back when I was trying to get a tip at subway
Can we pretend that airplanes	And (12) when I was rapping for the hell of it
In the night sky are like shooting stars?	But now a days we rapping to stay relevant
I could really use a wish right now	I'm guessing that if we can make
Wish right now, wish right now	Some (13) (14) airplanes
Yeah, I could use a dream or a genie or a wish	Then maybe yo maybe I'll go (15) to the days
To go back to a (2) (3) simpler	Before the (16) (17) we call
(4) this	the rap game
'Cause after all the partying and smashing and crashing	And back when ain't (18) listened to my mix
And all the glitz and the glam and the fashion	tape
And all the pandemonium and all the madness	And back (19) I tried to cover up my slang
There comes a time where you (5) to the	But this is for the Cada, what's up Bobby Ray?
blackness	So can I get a wish to end the politics
And when you're staring at that (6) in your lap	And get back to the music that (20) this
And you hoping but them people never call you back	So here I stand and then again I say
But that's just how the story unfolds	I'm hoping we can make (21) wishes outta
You get another hand soon after you fold	airplanes
And when your plans unravel	Can we (22) that airplanes
And they saying what would you wish for	In the night sky are (23) shooting stars?
If you had one chance?	I could really use a wish right now
So airplane airplane sorry I'm late	Wish right now, wish right now
I'm on my way so don't close (7) gate	Can we pretend that airplanes
If I don't make that then I'll switch my flight	In the (24) sky are like shooting stars?
And I'll be (8) back at it by the end of the night	I could (25) use a wish right now
Can we pretend that airplanes	Wish right now, wish right now
In the night sky are like shooting stars?	I (26) really use a (27) right now
I (9) (10) use a wish right now	I could really use a wish right now
Wish right now, wish right now	Like like shooting stars
Can we pretend that airplanes	I (28) really use a wish (29) now
In the night sky are like (11) stars?	A wish a wish right now
I could really use a wish right now
