When You're Gone by Avril Lavigne

I always (1) time on my own	The pieces of my heart are missing you
I never thought I'd need you there when I cry	When you're gone
And the days feel like years when I'm alone	The face I came to know is (9) too
And the bed where you lie is made up on your side	When you're gone
When you walk away I (2) the steps	The words I need to hear to always get me through the day
(3) you take	and make it ok
Do you see how much I need you right now	I miss you
When you're gone	We were made for each other
The pieces of my heart are missing you	Out here forever
When you're gone	I know we were, yeah!
The face I came to know is missing too	All I ever wanted was for you to know
When you're gone	Everything I do, I'd give my heart and soul
The words I need to hear to always get me through the day	I can hardly breathe I need to feel you here with me, yeah!
and make it ok	When you're gone
I miss you	The pieces of my heart are missing you
I've never felt this way before	When you're gone
Everything that I do reminds me of you	The face I came to know is missing too
And the clothes you left, they lie on the floor	When you're gone
And they smell (4) (5) you, I love the	The words I need to hear will always get me through the day
things that you do	and (10) it ok
When you walk (6) I count the (7)	I miss you
that you take	
Do you see how much I (8) you right now
