

## Fill in the gaps

I'm free to be whatever I	I'm free to be whatever I
Whatever I choose	Whatever I choose
And I'll (1) the blues if I want	And I'll sing the blues if I want
I'm free to say whatever I	Here in my mind
Whatever I like	You know you might find
If it's wrong or right it's alright	Something that you
Always seems to me	You thought you once knew
You only see what people (2) you to see	But now it's all gone
How long's it gonna be	And you know it's no fun
Before we get on the bus	Yeah I know it's no fun
And cause no fuss	Oh I know it's no fun
Get a grip on yourself	I'm (4) to be (5)
It don't cost much	Whatever I choose
Free to be whatever you	And I'll sing the (6) if I want
Whatever you say	I'm free to be (7) I
If it (3) my way it's alright	Whatever I choose
You're free to be wherever you	And I'll sing the blues if I want
Wherever you please	Whatever you do
You can shoot the breeze if you want	Whatever you say
It always seems to me	Yeah I (8) it's alright
You only see what people want you to see	Whatever you do
How long's it gonna be	Whatever you say
Before we get on the bus	Yeah I know it's alright
And cause no fuss	
Get a grip on yourself	
It don't cost much
