

## Fill in the gaps

Do what you want	Hello, hello, remember me?
If you have a dream for better	I'm everything you can't control
Do what you (1) you want	Somewhere beyond the pain
Till you don't want it anymore	There must be a way to believe
(Remember who you (2) are)	There's still time
Do what you want	Close your eyes
Your world's closing in on you now	Only love will guide you home
(It isn't over)	Tear down the walls and (7) your soul
Stand and face the unknown	Till we crash we're forever spiraling down
(Got to remember who you really are)	Down, down
Every heart in my hands (3) a pale reflection	Hello, hello
Hello, hello, remember me?	It's only me infecting everything you love
I'm everything you can't control	Somewhere beyond the pain
Somewhere beyond the pain	There must be a way to believe
There must be a way to believe we can break through	Hello, hello, remember me?
Do what you want	I'm everything you can't control
You don't have to lay (4) life down	Somewhere beyond the pain
(It isn't over)	There (8) be a way to learn forgivenes
Do what you want	Hello, hello, remember me?
Till you find (5) you're looking for	I'm everything you can't control
(Got to remember who you really are)	Somewhere beyond the pain
But (6) hour slipping by screams	There must be a way to believe
That I have failed you	We can break through
Hello, hello, remember me?	(Remember who you really are)
I'm everything you can't control	Do what you (9) you want
Somewhere beyond the pain there	
Must be a way to believe
