Fill in the gaps

Someone Like You (Studio) by Adele

I heard	I'd hoped you'd see my face
That you're settled down	And (12) you'd be reminded that for me
That you (1) a girl	It isn't over, yeah
And you're married now	Never mind I'll (13) someone like you
I heard	I wish nothing but the (14) for you too
That your (2) came true	Don't (15) me, I beg
Guess she gave you things	I remember you say
I didn't (3) to you	Sometimes it lasts in love
Old friend	But (16) it hurts instead
Why are you so shy	Sometimes it lasts in love
It ain't like you to hold back	But sometimes it hurts instead, yeah
Or hide from the light	Nothing compares, no (17) or cares
I hate to (4) up out of the blue uninvited	Regrets and mistakes they're (18) made
But I couldn't stay away I couldn't (5) it	Who would have (19) how
I'd hoped you'd see my face	Bittersweet this would taste
And (6) you'd be (7) that for	Never (20) I'll find someone (21) you
me	I wish (22) but the best for you
It isn't over	Don't forget me, I beg
Never mind, I'll find someone like you	I remember you say
I wish nothing but the best for you too	Sometimes it (23) in love
Don't forget me, I beg	But sometimes it hurts instead
I (8) you say	Never mind I'll find someone like you
Sometimes it lasts in love	I (24) nothing but the best for you too
But sometimes it hurts instead	Don't forget me, I beg
Sometimes it (9) in love	I (25) you say
But sometimes it hurts instead, yeah	Sometimes it lasts in love
You'd (10) how the time flies	But (26) it (27) instead
Only yesterday was the time of our lives	Sometimes it lasts in love
We were born and raised	But sometimes it hurts instead
In a summer haze	Yeah, yeah
Bound by the suprise of our glory days	
I hate to turn up out of the blue uninvited	
But I couldn't stay away	
l couldn't (11) it
