

Fill in the gaps

I (1) a girl				
She puts the color inside of my world				
She's just like a maze				
Where all of the walls all continually change				
And I've done all I can				
To (2) on her steps (3) my heart in				
my hands				
Now I'm starting to see				
Maybe it's got nothing to do with me				
Fathers be good to your daughters				
Daughters will love like you do				
Girls become lovers who turn into mothers				
So mothers be good to your daughters, too				
(Oh) You see that skin?				
It's the same she's been standing in				
Since the day she saw him walking away				
Now she's left cleaning up the mess he made				
So fathers be good to (4) daughters				
Daughters will love like you do				

Girls become lovers w	ho turn into m	others		
So mothers be good to your daughters, too				
Boys, you can break				
You'll find out how much they can take				
Boys will be strong an	d (5)	_ soldie	r on	
But boys would be gone without warmth from				
A woman's good, good heart				
On (6)	of every man	1		
Looking out for every	girl			
You are the guide and the weight of her world				
So fathers be (7)	to (8)_		daughter	
Daughters (9)	love like yo	ou do		
Girls become lovers who turn into mothers				
So mothers be (10) to your daughters, too				
So mothers be good to your daughters, too				
So mothers be good to your daughters, too
