

Fill in the gaps

So mothers be good to your daughters, too

I know a girl	Girls (12) (13) who turn into
She puts the (1) inside of my world	mothers
She's just like a maze	So (14) be good to (15)
Where all of the walls all continually change	daughters, too
And I've done all I can	Boys, you can break
To (2) on her steps with my heart in my hands	You'll find out how much they can take
Now I'm (3) to see	Boys will be (16) and boys
Maybe it's got (4) to do with me	(17) on
Fathers be good to your daughters	But boys would be gone without warmth from
Daughters will love (5) you do	A woman's good, good heart
Girls become lovers who (6) into mothers	On behalf of (18) man
So mothers be good to (7) daughters, too	Looking out for (19) girl
(Oh) You see that skin?	You are the guide and the (20) of her world
It's the same she's (8) in	So (21) be good to (22)
Since the day she saw him walking away	daughters
Now she's left cleaning up the mess he made	Daughters will (23) like you do
So fathers be good to your daughters	Girls become (24) who turn (25)
Daughters (10) love (11) you do	mothers
	So mothers be good to your daughters, too
	So mothers be good to your daughters, too
