

Fill in the gaps

I worry	it's not supposed to
I weigh three times my body	Is there a second in time I (7) around
I worry	Did I sail through or drop my anchor down?
I throw my fear around	Was anything enough to kiss the ground?
But this morning	And say I'm here now
There's a calm I can't explain	And she's here now
The rock candy's melted only (1) now	(Ooh ooh ooh)
remain	(Ooh ooh ooh)
(Ooh ooh ooh)	So much wasted in the afternoon
By the time I recognize this moment	So much (8) in the month of June
This moment will be gone	How about you? (Oh)
But I will (2) the (3) pretend	And I will wait to find
That it somehow lingered on	If this will last forever
Well all I got's	And I will wait to find
(Ooh ooh ooh)	That it won't, and it won't, it won't
And I will wait to find	And I will pay no mind
If this (4) (5) forever	Worry (9) the rainy weather
And I will wait to find	And I will waste no time
If this will (6) forever	Remaining in our life together
And I will pay no mind	
Well it won't, and it won't, cause it can't	
It just can't
