

Fill in the gaps

i worry	it's not supposed to
I weigh three times my body	Is there a (5) in time I looked around
I worry	Did I sail through or drop my anchor down?
I throw my fear around	Was (6) enough to kiss the ground
But this morning	And say I'm here now
There's a calm I can't explain	And she's here now
The rock candy's melted (1) diamonds now remain	(Ooh ooh ooh)
(Ooh ooh ooh)	(Ooh ooh ooh)
By the time I (2) this moment	So much (7) in the afternoon
This (3) will be gone	So much sacred in the month of June
But I will bend the light pretend	How about you? (Oh)
That it somehow lingered on	And I will wait to find
Well all I got's	If this will last forever
(Ooh ooh ooh)	And I will wait to find
And I will wait to find	That it won't, and it won't, it won't
If (4) will last forever	And I will pay no mind
And I will wait to find	Worry (8) the (9) weather
If this will last forever	And I will waste no time
And I will pay no mind	Remaining in our (10) together
Well it won't, and it won't, cause it can't	
It just can't
