Bigger Than My Body by John Mayer

Fill in the gaps

This is a call to the colorblind	Someday I'll soar
This is an IOU	Someday I'll be so damn much more
I'm stranded behind the horizon line	'Cause I'm (4) than my body gives me credit
Tied up in something true	for
Yes, I'm grounded	'Cause I'm bigger than my body now
Got my wings clipped	Maybe I'll tangle in a (5) lines
I'm surrounded by all this pavement	And it might be (6) in a second's time
Guess I'll circle	But I'll gladly go down in a flame
While I'm waiting for my fuse to dry	If the flame's what it (7) to remember my name
Someday I'll fly	To remember my (8) now
Someday I'll soar	Yes, I'm grounded
Someday I'll be so damn much more	Got my wings clipped
'Cause I'm bigger than my body gives me (1)	I'm surrounded by all this pavement
for	Guess I'll circle
Why is it not the time?	While I'm waiting for my fuse to dry (for my fuse to dry)
What is there (2) to learn?	Waiting for my fuse to dry
Shed this skin I've been tripping in	Someday I'll fly
And I've never quite returned	Someday I'll soar
Yes, I'm grounded	Someday I'll be so (9) much more
Got my (3) clipped	'Cause I'm bigger than my body
I'm surrounded by all this pavement	Bigger than my body
Guess I'll circle	Bigger than my body now
While I'm waiting for my fuse to dry	
Someday I'll fly
