

## Fill in the gaps

Your (1) are nettles	You (7) me of a flower
Your tongue is wine	That (8) blooms
Your laughter's liquid	In the violet hour
But (2) body's pine	I turn the lights out
You love all sailors	I (9) the sheets
But hate the beach	You change the station
You say "Come touch me"	Turn up the heat
But you're (3) out of reach	And now you`re setting
In the dark	Upon your chair
You tell me of a flower	You`ve got me tangled up
That only blooms	Inside your beautiful black hair
In the violet hour	In the dark you
Your arms are lovely	Tell me of a flower
Yellow and rose	That only blooms
Your (4) a meadow	In the violet hour
Covered in snow	In the dark
Your thighs are thistles	You tell me of a flower
And hot-house grapes	That only blooms
You (5) (6) sweet breath	In the violet hour
And have me wait	
In the dark
