When I Look At You by Miley Cyrus

Fill in the gaps

Everybody needs inspiration	That's (6) I, I look at you
Everybody needs a song	When the waves are (7) the short
A beautiful melody	And I can't find my way (8) any more
When the nights are so long	That's when I, I look at you
'Cause there is no guarantee	You appear just like a dream to me
That (1) is easy	Just like kaleidoscope colors that cover me
Yea when my world is falling apart	All I need
When there's no light to break up the dark	Every breath that I breathe
That's when I, I look at you	Don't you know you're beautiful
When the waves are flooding the shore	Yeah, yeah
And I can't (3) my way home any more	When the waves are flooding the shore
That's when I, I look at you	And I can't find my way home any more
When I (4) at you I see forgiveness	That's when I, I look at you
I see the truth	I look at you
You love me for who I am	Yeah
Like the stars hold the moon	(Whoa-oh)
Right there where they belong	You (9) just like a dream to me
And I know I'm not alone	
Yeah, when my world is falling apart	
When there's no (5) to break up the dark
