Fill in the gaps

Butterfly Fly Away by Miley Cyrus & Billy Ray Cyrus

You tucked me in, turned out the light	Butterfly fly away
Kept me (1) and (2) at night	Butterfly fly away, butterfly fly away
Little girls depend on things like that	We've been (8) for this day
You (3) my teeth and combed my hair	Take those dreams and make (9) all come true
Had to (4) me everywhere	Butterfly fly away, butterfly fly away
You were always there when I looked back	We've been waiting for this day
You had to do it all alone	All along and knowing just what to do
Make a living, make a home	Butterfly, butterfly, butterfly, butterfly fly away
Must (5) been as hard as it could be	Butterfly fly away
And when I couldn't sleep at night	Butterfly fly away
Scared (6) wouldn't turn out right	(Oh)
You would hold my hand and sing to me	Oh, I hope you find your way
Caterpillar in the tree	And all the (10) you wish, you love and care
How you (7) who you'll be	about
Can't go far but you can always dream	Oh, I hope you find your way
Wish you may and wish you might	
Don't you worry, hold on tight	Butterfly Fly Away
I promise you there will come a day
