

Fill in the gaps

I couldn't (1) you	Where she belongs
Why she felt that way	She wants to go home, but nobody's home
She felt it everyday	That's where she lies, broken inside
I couldn't (2) her	With no (15) to go, no place to go
I just (3) her make	To dry her (16) broken inside
The same (4) again	Her feeling she hides
What's wrong, what's wrong now	Her dream she can't find
Too many, too many problems	She's (17) her mind
Don't (5) she belongs	She's falling behind
Where she belongs	She can't (18) her place
She (7) to go home, but nobody's home	She's losing her faith
That's where she lies, broken inside	She's falling from grace
With no place to go, no (8) to go	She's all (19) the place (yeah)
To dry her eyes, (9) inside	She wants to go home, but nobody's home
Open (10) eyes	That's (20) she lies, (21) inside
And (11) outside	With no place to go, no place to go
Find the reason why (why)	To dry her (22) broken inside
You've been rejected (You've (12) rejected)	She's lost inside, lost inside
And now you can't find	(oh, oh)
What you left behind	She's (23) inside, lost inside
Be strong, be strong now	(oh, oh, yeah)
Too (13) too (14) problems	
Don't know where she belongs
