

Fill in the gaps

All of these (1) my face	And all of my (16) who (17)
Tell you the story of who I am	that I'm blessed
So (3) stories of where I've been	They don't know my head is a mess
And how I got to (4) I am	No, (18) don't (19) who I really am
But these stories don't mean anything	And they don't know (20) I've (21)
When you've got no one to tell them to	(22) you do
It's trueI was (5) for you	And I was made for you
I (6) the mountain tops	All of (24) lines across my face
Swam all across the (8) blue	Tell you the story of who I am
I (9) all the lines and I broke all the rules	So many stories of (25) I've been
But baby I broke them all for you	And how I got to where I am
Because even when I was flat broke	But these stories don't mean anything
You (10) me feel like a million bucks	When you've got no one to tell (26) to
Yeah you do and I was (11) for you	It's trueI was made for you
You see the (12) that's on my mouth	Oh yes, it's true
Is (13) the (14) (15)	I was made for you
don't come out
