

You can dance, you can jive

Fill in the gaps

You can dance, you can jive	Having the time of your life
Having the time of (1) life	See that girl, watch that scene
See that girl, watch that scene	Diggin' the dancing queen
Diggin' the dancing queen	You're a teaser, you (7) 'em on
Friday night and the (2) are low	Leave 'em burning and (8) you're gone
Looking out for a (3) to go	Looking out for another, anyone will do
Where (4) (5) the right music, getting in	You're in the mood for a dance
the swing	And (9) you get the chance
You (6) to look for a king	You are the dancing queen
Anybody could be that guy	Young and sweet, only seventeen
Night is young and the music's high	Dancing queen
With a bit of rock music, everything is fine	Feel the beat from the tambourine, oh yeah
You're in the mood for a dance	You can dance, you can jive
And when you get the chance	Having the time of your life
You are the dancing queen	See that girl, (10) that scene
Young and sweet, only seventeen	Diggin' the dancing queen
Dancing queen	Diggin' the dancing queen
Feel the beat from the tambourine, oh yeah
