I'm lying here on the floor where you left me
I think I took too much
I'm crying here, what have you done?
I thought it would be fun
I can't stay on your life support
There's a shortage in (the switch)
I can't stay on your morphine
Cuz its making me itch
I said I tried to call the nurse again
But she's being a little (bitch)
I think I'll get outta here
Where I can run
Just as (1) as I can
To the (2) of nowhere
To the middle of my frustrated fears
And I (3) you're just like a pill
Instead of making me better
You keep making me ill
You keep making me ill
I haven't moved from the spot (4) you left me
This must be a bad trip
This must be a bad trip All of the other pills, they were different
'
All of the other pills, they were different
All of the other pills, they were different Maybe I should get some help
All of the other pills, they were different Maybe I should get some help I can't stay on (5) life support
