Fill in the gaps

| m lying here on the (1) where you left me | (Just as fast as I can) |
|---|--|
| think I took too much | (To the middle of nowhere) |
| 'm crying here, (2) (3) you done? | To the middle of my frustrated, frustrated fears |
| thought it would be fun | And I swear you're just like a pill |
| can't stay on your life support | Instead of making me better |
| There's a (4) in (the switch) | You keep (7) me ill |
| can't stay on your morphine | You keep making me ill |
| Cuz its making me itch | Run just as fast as I can |
| said I tried to call the nurse again | To the middle of nowhere |
| But she's being a little (bitch) | To the middle of my frustrated fears |
| think I'll get outta here | And I swear you're just like a pill |
| Where I can run | Instead of making me better |
| Just as (5) as I can | You keep making me ill |
| To the middle of nowhere | You keep making me |
| To the middle of my frustrated fears | I can't stay on your life support |
| And I swear you're just like a pill | There's a shortage in the switch |
| nstead of making me better | I can't stay on your morphine |
| You keep making me ill | Cuz its making me itch |
| You keep making me ill | I said I (8) to call the nurse again |
| | But shes being a little bitch |
| haven't moved from the spot where you left me | I think I'll get outta here |
| This must be a bad trip | Where I can run |
| All of the other pills, they were different | (Just as fast as I can) |
| Maybe I should get some help | (To the middle of nowhere) |
| can't (6) on your life support | To the middle of my frustrated fears |
| There's a shortage in the switch | And I swear you're just like a pill |
| can't stay on your morphine | Instead of making me better |
| Cuz its making me itch | You keep (9) me |
| said I tried to call the nurse again | making me, making me ill |
| But shes being a little bitch | |
| think I'll got outto horo | |
