

I dance (1)_ _____ this empty house Tear us down Throw you out Screaming down the halls Spinning all around and now we fall Pictures framing up the past Your taunting smirk behind the glass This museum full of ash Once a tickle Now a rash This used to be a funhouse But now it's full of (2)___ ____ clowns It's time to start the countdown I'm (3)___ __ burn it down, down, down I'm gonna burn it down Nine, eight, seven Six, five, four, three, two, one, fun Echoes knocking on locked doors All the laughter from before I'd rather live out on the street Than in this haunted memory I've called the movers Called the maids We'll try to exorcise this place Drag my mattress to the yard Crumble tumble

This used to be a funhouse

But now it's full of evil clowns
It's time to start the countdown
