

## Fill in the gaps

## Young Folks by Peter, Bjorn & John

If I told you things I did before	Everyone is (14) I'm still with you
Told you how I (1) to be	It doesn't matter what we do
Would you go along with someone like me	Where we are going too
If you (2) my story word for word	We can stick around
Had all of my history	And see this (15) through
Would you go along with someone (3) me	And we don't (16) about the young folks
I did before and had my share	Talking 'bout the (17) style
It didn't lead nowhere	And we don't (18) about the old folks
I would go along with someone like you	Talking 'bout the old style too
It doesn't (4) what you did	And we don't (19) about (20) own
Who you were hanging with	faults
We (5) stick around	Talking 'bout our own style
And see this night through	All we care 'bout is talking
And we don't care (6) the young folks	Talking only me and you
Talking 'bout the young style	And we don't care (21) the young folks
And we don't (7) (8) the old folks	Talking bout the young style
Talking 'bout the old style too	And we don't care about the old folks
And we don't (9) about their own faults	Talking 'bout the old style too
Talking 'bout our own style	And we don't care about their own faults
All we care 'bout is talking	Talking 'bout our own style
Talking only me and you	All we (22) 'bout is talking
Usually when things has (10) this far	Talking only me and you
People tend to disappear	Talking (23) me and you
No one will (11) me unless you do	Talking only me and you
I can tell there's (12) going on	Talking only me and you
Hours (13) to disappear
