

Fill in the gaps

Young Folks by Peter, Bjorn & John

If I told you (1)	I did before	Everyone is leaving I'm still (4)	_ you
Told you how I used to be		It doesn't matter what we do	
Would you go along with someone like me		Where we are (5) too	
If you knew my (2)	word for word	We can stick around	
Had all of my history		And see (6) night through	
Would you go along (3) someone like me		And we don't care about the (7)	folks
I did before and had my share		Talking 'bout the young style	
It didn't lead nowhere		And we don't care about the old folks	
I would go along with someone like you		Talking 'bout the old style too	
It doesn't matter what you did		And we don't care about (8)	own faults
Who you were hanging with		Talking 'bout our own style	
We could stick around		All we care 'bout is talking	
And see this night through		Talking only me and you	
And we don't care about the young folks		And we don't care about the young folks	
Talking 'bout the young style		Talking 'bout the young style	
And we don't care about the old folks		And we don't care about the old folks	
Talking 'bout the old style too		Talking 'bout the old style too	
And we don't care about their own faults		And we don't care about their own faults	
Talking 'bout our own style		Talking 'bout our own style	
All we care 'bout is talking		All we care 'bout is talking	
Talking only me and you		Talking only me and you	
Usually when things has gone this far		Talking only me and you	
People tend to disappear		Talking only me and you	
No one will surprise me unless you do		Talking only me and you	
I can tell there's someth	ing going on		
Hours seems to disappe	ear
